Dear
Member Organization's
UPADI

Dear member

At the last meeting of the International Board, held in Brasília, the Technical Committee was constituted, "Globalization of Engineering Services", whose presidency was obtained by Eng. July Yutronic, from Institute of Engineers of Chile.

For this reason and following the Technical Activities Regulations, Chapter I, "General" indicates:

"1.4 UPADI Members may nominate one representative for each Permanent Committee, provided the nominee commits himself to actively participate in the annual meetings and in the Committee's tasks. The nomination of one representative will assure that the Member will give its technical and financial support, or the support of some other national organization."

We request the designation of one delegate by each country to form this committee, (deadline May 17). Please send the name, email address and phone number to the following emails: asistenciaupadi@cfia.or.cr ó consejotecnicoupadi@cfia.or.cr ó directorejecutivo@cfia.or.cr. Once we have members of the Committee's, coordinator Eng. July Yutronic will communicate with the delegates to initiate the work of the Committee.

Attach to this motion, you will find some information prepared by Eng. Yutronic.

I look forward to hearing from you, and thank you very much for your support and cooperation.

Sincerely;

Eng. Irene Campos Gómez
President UPADI
